CLASS DESCRIPTIONS

Core Fitness 209 - 16th Ave N. Cranbrook
250-426-7161 www.corefitnessinc.ca

-Combining traditional strength training with functional moves, this high-rep weight training class is sure to blast all your muscles in a fun, fast-paced environment! **This class requires longer set up, and warm up is critical. For those reasons no one will be allowed into the class late**

TABATA – Named for the inventor, Tabata style training has been deemed one of the most effective types of workouts! Higher intensity intervals, 20 seconds in length of cardio or strength moves, followed by 10 seconds of rest. This workout improves cardio, strength and endurance.

SPIN– No impact and plenty of sweat! This cycling class is full of intervals, hills, seated and standing drills to work your lower body into fantastic shape while giving you the best aerobic and anaerobic workout possible. Great music and guided imagery will enhance this great ride!

RETRO-ROBICS – It’s back...! 80’s music and vintage clothes will keep you having fun while getting a great workout from Retro Dave! Don’t forget your leg-warmers!

FLOW YOGA – A multilevel yoga class that will challenge and relax you as you flow through postures and focus on deep breathing. This mind/body class will help you achieve such benefits such as decreased stress, improved posture, increased strength and flexibility, improved balance, and overall well-being.

HATHA – a more traditional yoga class with some focus on meditation as well as all the benefits of our Flow Yoga

GENTLE – A slower paced class focussing on flexibility, mobility, breath work and relaxation. Appropriate for seniors, or those wanting a lighter intensity class.

BOOT CAMP - Challenge yourself with a vigorous workout of push-ups, burpees, squats, agility exercises, cardio drills and other torturous exercises! Outdoor classes require pre-registration and have a small additional fee.

TRX SUSPENSION TRAINING – The TRX system is a body weight based tool that allows you to work the entire body, especially the core muscles, through a variety of challenging exercises. Developed by the Navy Seals, this workout is intense, and not suitable for those with injuries. Limit is 6 participants, unless you have your own TRX!

– Ditch the workout, join the party!! A Latin style dance type class with a focus on fun. You won’t even notice you are getting a fantastic workout!

PILATES– A body conditioning routine that helps build flexibility, long lean muscles, and overall muscular strength and endurance. Developed from Joseph Pilates, these exercises teach awareness of breath and alignment of the spine, and aim to strengthen the deep torso muscles. Stott Pilates format

GENTLE FIT – A slower paced fitness class focussing on functional movements, fall prevention and strength exercises. Ideal for seniors or those wanting a lighter workout.

CO-ED BOXING – Led by an experienced & certified boxing instructor, this is the real thing! Learn proper technique and conditioning for this intense sport. No contact! Requires your own set of gloves (wraps optional). *Must register. Extra cost for this class
